

Welcome Back to Port Hudson Career Academy (PHCA)! We at PHCA are looking forward to welcoming you back to another exciting school year. Upon your return you will see several new initiatives:

- The Connections Process

- Career Ready 101 / Work Keys program
- An opportunity to participate in dental and other health programs
- New technology (iPod / iPads for students use in the classroom)
- New format to the scheduling
- Bells!

- more upon your arrival

In addition to the new initiatives, we have aligned our theme to parallel that of the Zachary Community School Board, “Beyond Boundaries.” I believe that it aligns with our school philosophy and speaks clearly to what we can accomplish with our students if we push them *Beyond their Boundaries!*

Our Educational goal at PHCA is to make learning exciting so that students will experience the joy of discovering new ideas and building new skills, thereby, developing a love of learning that will create lifelong learners.

Lastly, one of the most important components to a good school is the partnership between the school and the parents who work together for the best interest of children. We, the faculty and staff, look forward to working with each of you to help fulfill our commitment to excellence on behalf of all children at Port Hudson Career Academy.

“One good parent is worth one thousand school masters.” – A Chinese Proverb

Welcome Back and we look forward to seeing you throughout the school year!
