- Get plenty of rest the night before testing and eat a healthy breakfast.
- Students must have their ID.
- Absolutely NO cell phones allowed during any phase of testing.
- Students will NOT be allowed to enter a testing session once testing has started. It is imperative that students arrive on time.
- Only a physician's excuse on letterhead of extreme illness will excuse a student from testing. Please help your child(ren) attend school each day of testing.
- Students will NOT be allowed to check out during any testing session; make other arrangements for special appointments.
